VU

VU is a new 100-unit condominium building that rises 36 stories from the center of four of Manhattan's most dynamic neighborhoods – NoMad, Flatiron, Gramercy, and Kips Bay. Developed by Minrav Development, the building includes studios to three bedrooms and two Duplex Penthouse residences with outdoor terraces. There is also a full floor of amenities dedicated to wellness and vitality designed by Paris Forino. Located on the 2nd floor, a resident lounge boasts work-from-home capabilities, state-of-the-art fitness and training center, and a quiet energy room. The beautiful rooftop terrace is located high up on the 36th floor.
